

# COUNTY OF YORK

## MEMORANDUM

**DATE:** April 5, 2005 (BOS Mtg. 4/19/05)  
**TO:** York County Board of Supervisors  
**FROM:** James O. McReynolds, County Administrator  
**SUBJECT:** Upper County YMCA

The Board of Supervisors has determined that a public-private partnership is the most effective manner of providing a community center for the citizens of the County. Such a partnership presently exists with the Peninsula Metropolitan YMCA for a facility located in the lower County and known as the Victory YMCA.

The Board has indicated a desire to support a YMCA that would provide comparable benefits for those residents of the Upper County. Development of a facility is planned on property owned by Sentara Williamsburg Community Hospital and the YMCA has asked the County for a financial commitment of \$1 million toward the construction. The attached resolution addresses the intent of the Board of Supervisors to make such a contribution and do so in equal annual installments of \$50,000 for a period of twenty years to commence at the time of completion of the facility.
